Qt;Athon {2025;}

Qt Group

Seraj Shekh has participated in the final round of Qt;Athon 2025.

Bruno Vunderl, Product Lead & Head Judge of Qt;Athon

Qt;Athon is a coding competition for students organized by Qt Group. The 2025 Qt;Athon was held in two rounds. The first one consisted of three small coding tasks. The 10 best teams from the first round advanced to the second round where participants had a project task.
